Subject area: **Philology**

Status	Course code: H220U014 Course title: THE LITHUANIAN LANGUAGE AND CULTURE Taught by: assoc. prof. dr. Jolanta Vaskelienė		
Semester	ECTS credits	Languages	Duration
Autumn	6	Lithuanian (English as the language of instruction)	1 semester
Study hours	Assessment	Prerequisites	Examination
Seminars – 64 h	10-point scale	Interest in the Lithuanian language,- traditions and culture	Mid-term examination – 30 % Individual and group tasks – 40 % Final examination – 30 %

Subject content	The aim of this study subject is to teach foreign students residing locally the basics of the Lithuanian language, to help them acquire habits of understanding and speaking Lithuanian, and, in the course of time, to develop their linguistic competences, to acquaint them with the history, culture and social life of this country. The contents of this study subject includes practical phonetics, grammar (morphology and syntax), vocabulary, spelling and coherent speech. Local peculiarities of the Lithuanian language usage and local etiquette are also included. Communication referring to daily routine, habits, hobbies, family relationships, studies and libraries, universities and fields of research, culture (theatre, cinema, museums, exhibition halls) and religion, industry, business, and self-government is practiced. Sightseeing and short field trips are made for the participants of the course to get acquainted with the current Lithuanian festivities and traditions, historical places and architectural monuments. Participation in the public events arranged to commemorate state holidays is motivated; involvement in the student activities both academic and entertaining is also encouraged.
Learning Outcomes	Students acquire the basics of the Lithuanian language and manage to communicate in Lithuanian in a variety of spheres of everyday student life, find out quite much about the Lithuanian culture as well as learn a lot about the Lithuanian language as one of the oldest living European languages.
