kindly invites you to the
public lecture-discussion

"The Future of the EU: what's next?"

5th of April, 2022, 10.00-11.30 a.m. (Eastern European Time Zone)

Virtual connection: <https://bit.ly/3qA2E2L>

Keynote speakers:

Prof. Dr Uroš Pinterič

from Alexander Dubček University in Trenčín (Slovakia)

Professor Uroš Pinterič has more than 20 years of experience in political science. 01.09.2017-31.08.2020 he was holding the Jean Monnet Chair with project "European Union of Tomorrow". His interests cover various topics of development of society, including EU, policy making, development of democracy and society.

During the presentation professor will open critical reflection on past development of the European Union and European society. He will address the crucial European values and re-examine them from the perspective of the events that are marking current European situation as well as its further development.

Assist. Prof. Dr Adam Jarosz

from SGH Warsaw School of Economics (Poland)

Assist. Professor Adam Jarosz has more than 10 years of experience in state politics and policy field. His main research interests are public policy analysis, public participation, and international politics.

During the presentation Assist. Professor will discuss: how the Russian aggression on Ukraine will affect the European integration; the role of the EU and member states in the post-pandemics and post-war recovery, including the issues of the EU-enlargement and how should the EU respond to growing willingness of neighboring countries to join it.

Moderator: Assoc. Prof. Dr Vita Juknevičienė
(RENET, Šiauliai Academy of Vilnius University, Lithuania)
